Re: National Broadband Plan (GN Docket 09-51)

Dear Ms. Dortch:

Yesterday, Jennie Chandra, Bill Kreutz, Frank Schueneman, and I, all representing Windstream, met with the following members of the FCC's National Broadband Plan team: Rohit Dixit, Rebekah Goodheart, and Byron J. Neal.

We discussed the design of Windstream's broadband network and costs associated with offering broadband service. The conversation was consistent with the attached handout and with the positions Windstream has taken previously in the above-referenced proceeding.

Please feel free to contact me if you require additional information.

Sincerely,

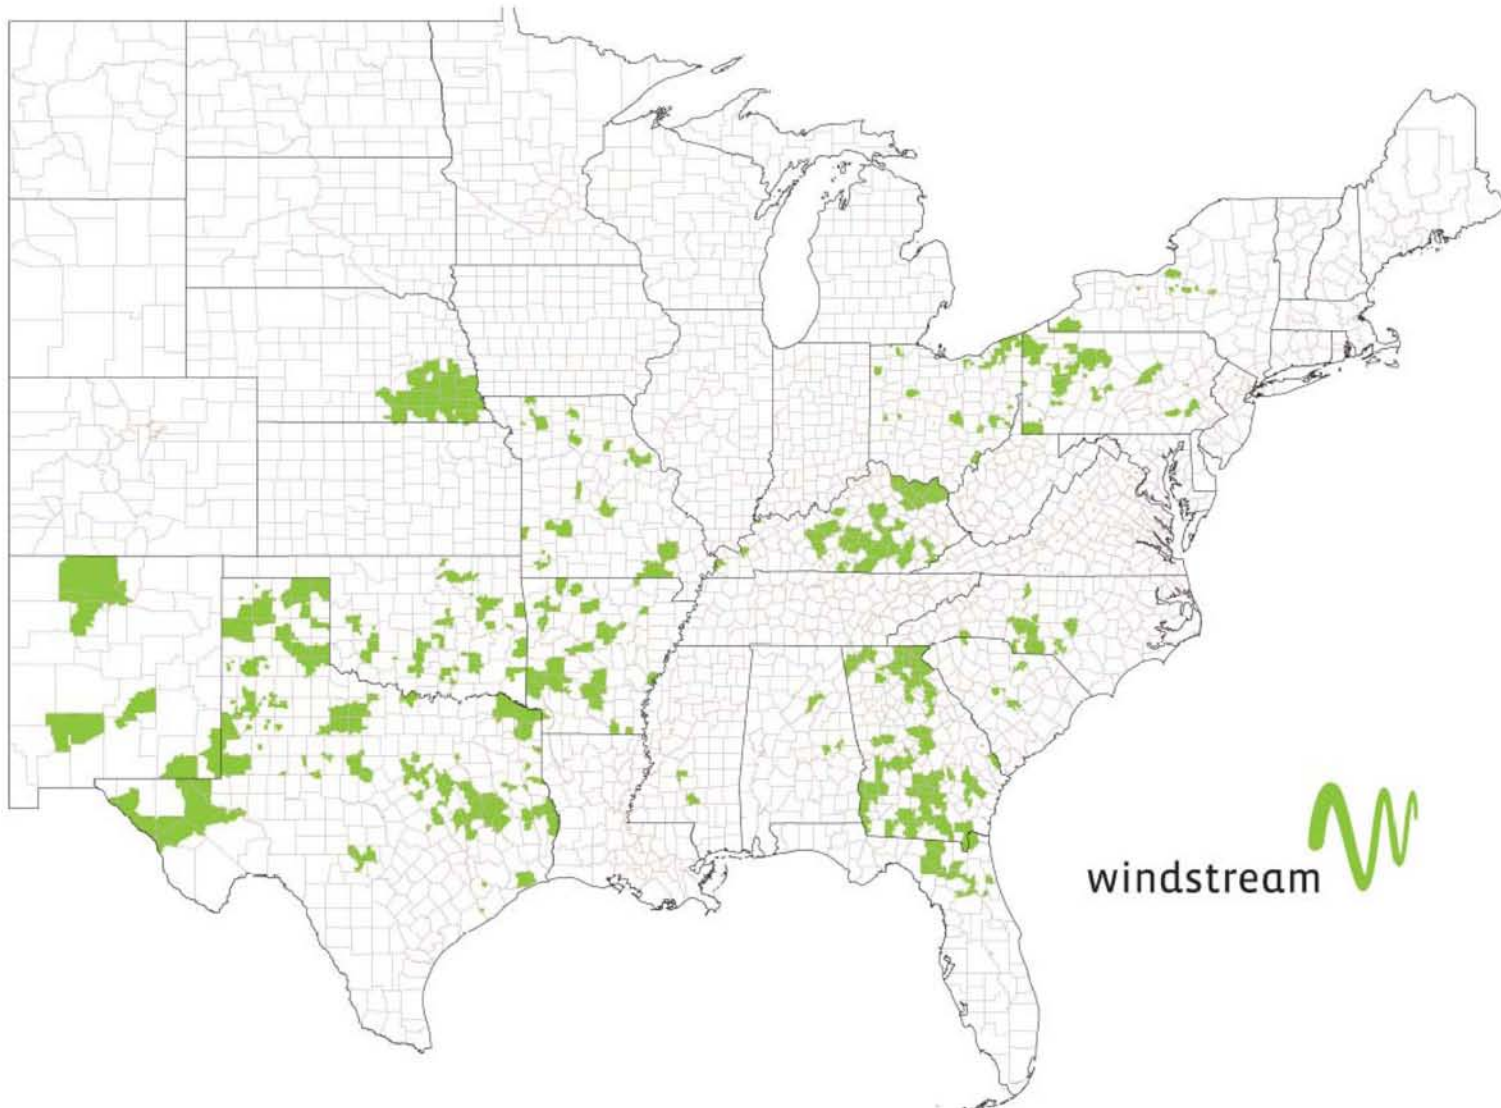

/s/

Eric Einhorn
